Hello Dan,

I sent you a copy of this inspection report and pictures of ballasts several months ago. Have you had a chance to review the report and determine if EPA will conduct any TSCA inspections at Freedom Marine? I will be going to Freedom Marine Wednesday 8-18-10. Let me know of your interest in PCB compliance issues at Freedom Marine.

Dan, Thank you for talking with me about Freedom Marine this morning. Attached is a photo log of Freedom Marine from 5-7-2010. You should see the various light ballasts and light fixtures that I told you about. Let me know if you have any suggestions, ideas or other things to look for with regard to PCB's.
